## Dewan Motors is more agile with SAP Business One

Dewan Motors, the sister company of G&S Dewan & Co, Maurispare was launched in September 2002. Our policy is to provide customers with the best quality models of motorcycles available worldwide, at the best prices ever.

### Before: Challenges and Opportunities

- We needed the ability to get an integrated overview of the business in a single solution
- We had to enhance our accounting capabilities within our business

### Why SAP and Partner

- Seidor Africa has a great support desk, always willing to assist
- Seidor Africa is very knowledgeable around SAP Business One and our Business
- SAP Business One was the right product for us as it is fit for use in our business and ticks majority of the functionality boxes all in one product
- The inventory management and supply chain capabilities has made life easier

### After: Value-Driven Results

- An integrated platform
- Quick invoicing and inventory management improvement

**“** *SAP Business One gave us the ability to have more operational sufficiency.*”

Sunil Dewan, Dewan Motors MU.
