SAP Business One was the right choice for KHS East Africa

Thanks to our 150 years' experience in the development of filling and packaging systems, we have the expertise to create innovative and sustainable solutions for the future. In particular in the area of developing PET containers and perfectly matched filling lines, KHS is one of the world's leading suppliers.

Before: Challenges and Opportunities

- We were struggling with tracking our inventory at any particular point in time
- It was difficult planning ahead without knowing our exact inventory levels and stock availability

Why SAP and Partner

- Seidor Africa listened to our needs and assisted us in understanding the workings of all our systems better
- SAP Business One is easy to use, and as a highly accredited ERP system we decided they are the right fit for us
- SAP Business One is customizable to meet our needs

After: Value-Driven Results

- SAP Business One gives us not just detailed reports, but also an overview of the business as a whole
- Our control over inventory has increased dramatically which assist us in cost savings
- We are now able to focus and plan better due to the accurate information we can view at any time

"SAP Business One is really what gets me going."

Allan Bogonko. Head of Supply Chain. KHS East Africa.
