Siginon Group is taking flight with SAP Business One

Siginon Group is an integrated end to end logistics and air cargo solutions provider based in Kenya, Tanzania and Uganda with over 30 years experience. At Siginon we provide supply chain solutions to our customers from the source to the final destination. We are located in Nairobi, Mombasa and Eldoret in Kenya, Dar es Salaam in Tanzania and in Kampala, Uganda.

Before: Challenges and Opportunities

- Financial reporting was a nightmare. Combining 4 different company reports for a clear and accurate overview was almost impossible
- Customer Service was slow and information sharing took time

Why SAP and Partner

- Seidor Africa is a world class company
- SAP Business One can integrate all our businesses into one reporting structure

After: Value-Driven Results

- Real-time reporting is now possible and data can be shared instantly across all businesses
- Customer on boarding can now be done on the fly
- Data is available for our infield staff to share with their customers instantly without delay

"SAP Business One is a tremendous improvement."

Robin Chumari. Group ICT Manager. Siginon Group.
